

VOLUNTEER PROGRAM

Interested in volunteering? Volunteers perform work essential to the operation of our library, including checking items in and shelving them, mending books, and processing new items. We always have a need for new volunteers who can work a regular weekly shift or on a substitute basis. Orientation and training are provided. Please contact us about our current opportunities.

FRIENDS OF THE LIBRARY

The Friends of the San Juan Island Library help the library in many ways by providing financial support for library programs, collection purchases, and special projects.
