LOOKING AHEAD!

FACILITY NEEDS

We'll be wanting your help for this one!

The Library's Board of Trustees met on May 26, 2015 for the first in a series of public work sessions focused on facilities and parking issues, critical concerns identified in our Long Range Plan, available on our website: www.sjlib.org.

The Board is committed to ensuring extensive public participation by means of meetings, brainstorming sessions, an island-wide survey, materials and notes available on our website, in the Library, and updates by email and social media.

Follow us on Facebook or Twitter, stop in the Library to sign up for email notifications, and visit our website for the latest news about this important and exciting process!
