

July Events at the San Juan Island Library

Know Your Islanders: Travis Ayers

Monday, July 1, at 7 pm

Local Luxel Corporation provides nanometer-thick materials for applications in Space Astronomy, Laser Fusion, and Semiconductors.

Hidden Figures: The Movie

Friday, July 5, at 7 pm

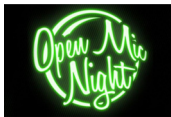

A screening of *Hidden Figures*, a movie about three brilliant African-American women at NASA who served as the brains behind the launch of astronaut John Glenn into orbit.

Thor Hanson: All Things Berry

Wednesday, July 10, at 7 pm

Join Thor Hanson for a fun and informative exploration of all things berry. What is a berry? Which plants make them? Why? How? Includes tasting of familiar and surprising varieties.

Open Mic for Writers

Saturday, July 13, at 7 pm

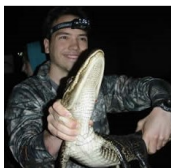

Held on the second Saturday of the month, Open Mic Night is for anyone interested in writing. For more information please contact Pam Herber at pjherber@interisland.net.

Memory Cafe: Pam Fitch and the Popular Song

Tuesday, July 16, at 2 pm

Join a sing-along of favorite tunes. Lyrics will be available in large print.

Wild Side: Chris Oldham, San Juan Herpetology 101

Wednesday, July 17, at 7 pm

Herpetologist Chris Oldham (Kwiaht) will present a program on our reptiles and amphibians, with an opportunity to see some living examples!

Get Familiar with Your iPhone or iPad

Friday, July 19, at 2 pm

Learn the basics of using your smartphone or tablet. Learn how to use built-in apps like the camera and maps and how to connect to WiFi, find websites, and download and organize apps.

Apollo 11: The Movie

Saturday, July 20, at 7 pm

Crafted from a newly-discovered trove of 65mm footage along with more than 11,000 hours of audio recordings, Todd Douglas Miller's *Apollo 11* documents the mission like never before.

Skype Tour of NASA Facilities

Friday, July 26, at 10:30 am

Take a virtual tour via Skype of NASA's Johnson Space Center with Pedro A. Martinez, Chief, Spacecraft Engineering Branch. He will provide an introduction to the Johnson Space Center and the International Space Station mock-up.

Introduction to Model Rocketry

Saturday, July 27, at 2 pm

Want to be a rocket scientist? This overview of model rocketry with Tsolo Dann will cover all the major areas, including: history of model rocketry, safety rules, types of model rockets, how they fly, choosing the right rocket engine, and recovering your rocket. Open to aspiring rocketeers of all ages.

October Sky: The Movie

Saturday, July 27, at 7 pm

Our Community Summer Read is *October Sky*, the true story of Homer Hickam Jr., a high school student in rural West Virginia, who turned his attention to the skies. Stop by the Library, pick up a free copy of the book, and come to a screening of the movie *October Sky*.

Refreshments courtesy of the Friends of the San Juan Island Library. Unless stated otherwise, all events are held at the Library and are free.
