JOIN US!

Things to think about:

- 1) Total library size & cost
- 2) Allocation of new library space
- 3) Library features
- 4) Ways you can help make your new library a reality

Visit sjlib.org for more information.

Facts & Figures

Library site/size comparisons

Current: 1010 Guard Street - **9,800 sq. feet** on **.66 acres**

Future: 660 Spring Street - **Sq. feet. TBD** on **2.52 acres**

New 660 Spring Street library building size/construction cost estimates*

3 options:

- | | | |
|-------------------|-----------------|------------|
| • 12,000 sq. feet | \$ 11.7 million | 22% larger |
| • 13,000 sq. feet | \$ 12.3 million | 33% larger |
| • 15,000 sq. feet | \$ 13.7 million | 53% larger |

**Does not include architecture, construction management, furniture, fixtures, and equipment*

Funding Goals

- Donations and grants, including major gifts = 60% or more
- Future library bond = 40% or less
- \$2 million has already been awarded by the WA Department of Commerce
- **Need to raise \$2 million functional match to the Dept. of Commerce grant in 2023 and 2024**
