Celebrating *Living High* with Skye Burn

(Friday Harbor, WA) – July 5, 2023 –Join us at the Library on Wednesday, July 19 at 7 PM to welcome Skye Burn, granddaughter of June and Ferrar Burn, and celebrate the new 7th edition of *Living High*. This is the remarkable story of June & Farrar Burn, their trust in life and courage to be unconventional, and how it offers inspiration and a compass for today’s world. The new edition of *Living High*, June Burn’s unconventional autobiography, is now available in local bookstores. First published in 1941, *Living High* has remained in print through decades.

The new edition includes previously unseen photographs and an expanded epilogue by Skye Burn, June & Farrar’s granddaughter. Events have been scheduled in Bellingham and the San Juans to celebrate the new edition. The program will include readings from *Living High*, photographs, original recordings of Farrar’s songs, and an introduction to the June & Farrar Project. This event is hosted in partnership with Griffin Bay Bookstore.
