## **San Juan Island Library and the San Juan Historical Museum Present: Islander Stories**

*(Friday Harbor, WA) – May 9, 2024 –* The San Juan Island Library is partnering with the San Juan Historical Museum to present *Islander Stories*, a dive into the history of the islanders that made San Juan.

Join us as we explore the "Island Web": the interconnectedness of islanders and their stories through time and familiar places. A fun and informative evening awaits as we tour the past through words and images.

The presentation will take place at the San Juan Island Library on Tuesday, May 21 at 7 PM.
