FOR IMMEDIATE RELEASE

August 7th, 2024

THANK YOU for supporting the San Juan Island Library!

(Friday Harbor, WA) – Wednesday, August 7th, 2024

The San Juan Island Library Board of Trustees and staff are extremely grateful for our community's approval of the Library Levy Lid Lift for operational expenses in the recent election. Thank you to all islanders who voiced their support over the past few months. We appreciate your confidence in sustaining the library's high level of essential services.

With funding in place for the next ten years, the library can continue to offer daily operations for access to books, DVDs, technology, and special equipment, in addition to its 24/7 access to wifi and multiple online services. Our dedicated staff can continue to offer a wide array of educational and enrichment programs for children, teens, and adults.

Our library is for everyone, and we look forward to serving you in the years ahead.

Please contact Laurie Orton at lorton@sjlib.org or (360) 378-2798, or visit www.silib.org for more information.
