### Open House Presenting Conceptual Designs For A New Library

*(Friday Harbor, WA) – January 20<sup>th</sup>, 2026*

Please join the San Juan Island Library at the Brickworks on Thursday, February 12th, from 12pm-7pm, for an open house about the New Library Building Project. The New Library Building Steering Committee will host a special library board meeting where the Library's architectural consultants present the new library conceptual designs. These designs, based on the community's feedback collected during a series of four public meetings held in Fall 2025, will be used to solicit additional comment from the community. Presentations at 12pm, 3pm, and 6pm will review the library's progress on this project and the next steps. Opportunities for feedback will be available, and light refreshments served. Come and learn more!

Library staff can answer any questions you have at 360.378.2798 or [sjlib@sjlib.org](mailto:sjlib@sjlib.org). Library programs and cards are free of charge to San Juan Island residents. In addition to its collections of books, videos, equipment, games, audiobooks, and other materials to loan, the library also provides public access computers, WiFi, and a suite of databases that patrons can access in the library or at home. Library hours are Mondays, Wednesdays, and Fridays 10 am to 6 pm, Tuesdays and Thursdays 10 am to 8 pm, Saturdays 10 am to 5 pm, and Sundays 12 pm to 3 pm.
